CHAIRMAN

SHRI UMRAO SINGH OSTWAL

I come from a small town, Mangalwad District: Chittorgarh it was my dream to educate people living in this town and in the vicinity.

Looking to this, my futuristic approach is to make 360 degree round development of this area in the field of education, so that not a single person remain uneducated irrespective of the age/caste and creed. Thus could find a suitable employment for the daily needs in this world of cut throat competition.

I promise you and I take this challenge to change the entire education scenario of Manglawad and its periphery in time to come.

MANAGING DIRECTOR

SHRI KULDEEP SINGH OSTWAL

U.S. Ostwal Group of Colleges is the best available college in the region. We continuously monitor the progress of our students through our faculty and a team of able counselors. At our college we regularly conduct class tests, tutorial and quizzes as part of continuous evaluation system.

Our modern laboratory are well equipped. We invite all the students to share with them an experiences in quality education, aimed at providing high academic and professional excellence in a comfortable and pleasing environment.

PRINCIPAL

Dr. KHUSHBU SINGHAL

Our College is recognised as a state leader in teaching and learning, student relationships and wellbeing. We believe in a safe social and physical environment which helps all our students to learn and succeed. I am pleased to report that our dedicated approach to teaching and learning is seeing real benefits for our students.

Our earnest attempt should be towards upholding academic integrity, accountability, sustaining open and transparent systems, and being sensitive to social responsibilities. This could be possible only through a collaborative, shared, and consultative work culture. Building on the strong foundation of the college, let us all strive for cautious, consistent, and catalytic improvement in the overall development, paving way for innovative ideas and thinking.

U. S. Ostwal Education Society established in 1995. Aims at imparting Quality Education to its Students.

U. S. Ostwal Education Society has taken a further leap towards its objective of setting up of Quality Education Institutions.

U.S. Ostwal Education Society opened its first institutes U.S. Ostwal Science, Arts & Commerce College at Narayanpura, Mangalwad, District: Chittorgarh (Rajasthan). We provides a unique environment for students to grow under the guidance of experienced academicians and acquire creative, innovative and technological skills, which are required to make the students professional and industry interface ready. College offers career-oriented courses in Undergraduate and Postgraduate.

Our college campus is fully Wi-Fi, best-in-class rooms infrastructure, equipped labs having modern equipment and well-furnished library with latest books of the various field. We ensure that our education is all time relevant. We continuously invest in research activities and recruitment of academic leaders in the field.

OBJECTIVES OF THE COLLEGE

- ☞ To develop an academic tradition of intellectual enquiry
- ☞ To provide a life long commitment to learning and opening gates for international career opportunities.
- ☞ To foster mutual cooperation in various fields such as academic, cultural, sports, literary etc.
- ☞ To develop an eternal expedition to educate and enlighten the society by building a path for it, through education.
- ☞ To work as a team for grooming the future of the students. To instill the requisite confidence, tolerance and a sense of morality among the students to face the future challenges.

OUR MISSION

Mission of our Institute is to empower students with knowledge, moral values and ethics through relevant education and training to develop in them, confidence, wisdom and winning attitude to face the challenges of the society, nation and the world. We also endeavor to provide best infrastructure and state of the art education with emphasis on relevance to today's changing world. We have best qualified faculty & infrastructure and promise to impart both theory and practice along with co-curricular and extracurricular activities.

OUR STRENGTH

Professionalism with ethical attitude.

Academic integrity and accountability.

Appreciation of intellectual excellence and creativity.

Understanding, respect and tolerance for every individual.

World class infrastructure and state of the art facilities.

Qualified and well experienced faculty.

VISION OF THE COLLEGE

To contribute towards the development of the society through the dynamism and professionalism of the enthusiastic young personnel's, drawing inspiration from the thoughts of the ancient Indian administrators / educators.

The Ministry of Education (MoE), formerly the Ministry of Human Resource Development (1985–2020), is a ministry of the Government of India, responsible for the implementation of the National Policy on Education.

The University Grants Commission (UGC) came into existence on 28th December, 1953 and became a statutory Organization of the Government of India by an Act of Parliament in 1956, for the coordination, determination and maintenance of standards of teaching, examination and research in university education

The Department of College Education was set up in 1958 for the administration and development of higher education in the State of Rajasthan. The administration is headed by the Commissioner, College Education, Government of Rajasthan, Jaipur

Mohanlal Sukhadia University at Udaipur is a State University established by an Act in the year 1962 to cater the needs of higher education in Southern Rajasthan with more than 2.25 Lakh Students. Accredited with NAAC- A + + grade.

All India Survey of Higher Education was started in India in 2010–11. A task force was formed constitution representatives from HRD ministry, University Grants Commission, All India Council of Technical Education, Medical Council of India (now superseded by National Medical Commission), National University of Education Planning and Administration, Distance Education Council of India and representatives of many universities

The National Cadet Corps (NCC) is the youth wing of the Indian Armed Forces with its headquarters in New Delhi, India. It is open to school and college students on voluntary basis as a Tri-Services Organisation, comprising the Army, the Navy and the Air Wing, engaged in developing the youth of the country into disciplined and patriotic citizens. The soldier youth foundation in India is a voluntary organization which recruits cadets from high schools, higher secondary, colleges and universities all over India.

The Bharat Scouts and Guides (BSG) is the national Scouting and Guiding association of India. The national headquarters of BSG is recognised by the Government of India. Scouting was founded in India in 1909 as an overseas branch of the Scout Association and became a member of the World Organization of the Scout Movement in 1938. Guiding in India started in 1911 and was amongst the founder members of the World Association of Girl Guides and Girl Scouts in 1928, also covering present-day Bangladesh] and Pakistan at that time. The BSG serves 2,886,460 Scouts (as of 2011) and 1,286,161 Guides (as of 2005)

Tally GST is accounting software which is designed to automate and integrate all your business operations, such as sales, finance, manufacturing, purchasing, and inventory. Tally is an ERP accounting software package used for recording day to day business data of a company.

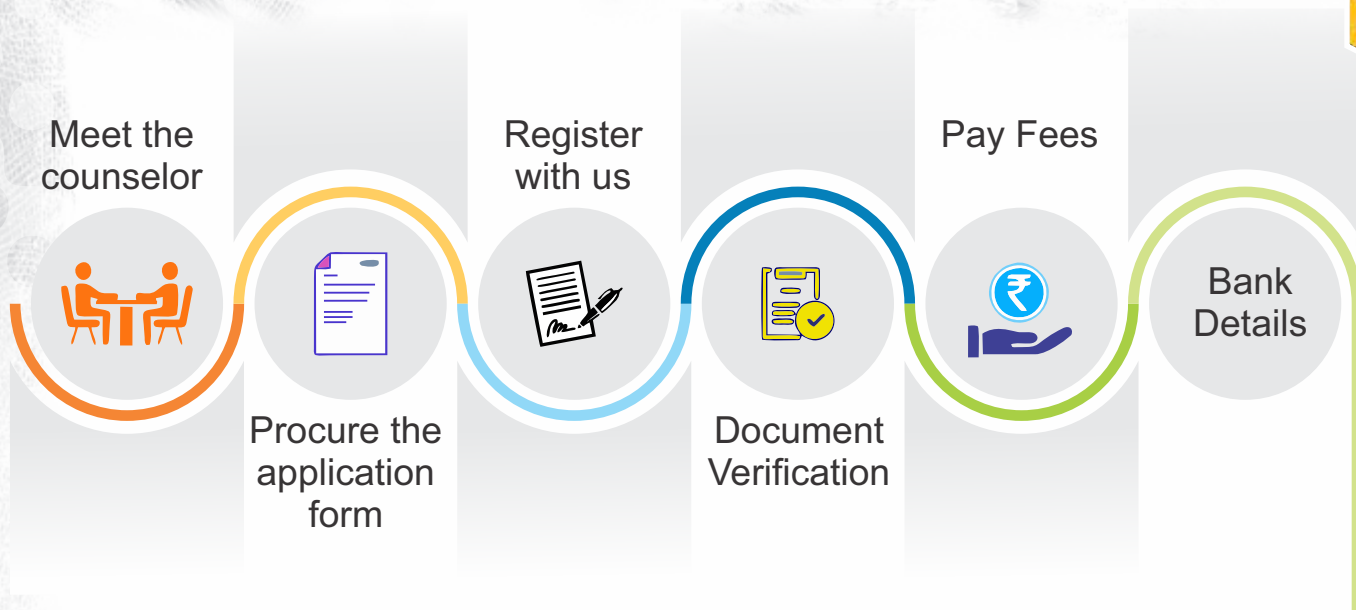

RS-CIT is designed to empower citizens with a fundamental understanding of information technology (I.T.) at an affordable cost. Acquiring essential skills to begin computing with confidence, be more productive at home and work and able to explore career opportunities globally.

ENGLISH SPOKEN :- English is the language of science, aviation, computers, diplomacy, and tourism. Knowing English increases your chances of getting a good job in a multinational company within your home country or of finding work abroad.

COMPETITION EXAMS CLASSES:- Competitive exams help children to focus on what they prefer.

Chemistry Lab

Laboratories

Geography Lab

Zoology Lab

Botany Lab

Physics Lab

English Language Lab

Home Science Lab

Computer Lab

We have latest and high quality labs for the students. Effective teaching and learning of science involves seeing, handling, and manipulating real objects and materials. The knowledge that students attain in classrooms would be ineffectual unless they actually observe the process and understand the relationship between action and reaction.

Class Room

Classroom teaching inculcates conflict resolving skills, presentation skills when it comes to presenting their ideas confidently in front of peers, develops team spirit and teaches them to get along with those from different cultural backgrounds. Such experiences are valuable in shaping students' communication and listening skills, as well as growing and maturing emotionally.

Library

The College library is located in a spacious college building. The library has a rich collection of volumes of text books, reference books, national and international journals in all branches of Arts, Science, Commerce, Engineering, Technology, Management and General Studies, and the collection is ever increasing.

- ◆ By making accessible a rich collection of print and non-print, primary and secondary material in various disciplines, the Library supports the academics as well as research needs of students and teachers of the Institute.
- ◆ The library houses a rich collection of text and reference books, journals, magazines, audio/videos, research reports.

Periodical & Newspaper Section: The library holds a rich collection of relevant periodicals, magazines and newspapers

Auditorium & Seminar Hall

Auditorium: The auditorium is fully media equipped with LCD Projector and HD Sound System. It has a capacity of 300 viewer seats and 25 stage seats.

Seminar Hall: The institute have seminar halls, which are designed in a way to accelerate the teaching learning process using modern technological aids. It is normally used to give the presentations, seminars, etc.

Cafeteria Facilities

The College has a well established and vibrant canteen in the campus. It forms the junction of the students from different streams/courses. It aims at keeping the students upbeat and serves an in-campus hangout for them. The environment in the canteen is clean & hygienic.

Games & Sports Facilities

U.S. Ostwal Group of Colleges encourages students to participate in Sports and Games giving importance to physical education as well as encouraging student's interests. Sports activities can play a crucial role in the physical and attitude development of the students, we

offer the required facilities and infrastructure to make our students indulge in their favourite games and sports.

Medical Facilities

We have a medical room in the campus which has necessary prerequisites for the first aid of the student. There are 4 beds in the medical room where the student can take rest in case he/she is unwell or needs rest. Regular health checkups are done by experienced doctors from time to time in the college for the students.

Hostel

We have separate hostel for boys and girls. Our objective of establishing Hostels within the Campus is to provide students "a Home away from Home", wherein they can feel at ease and put in their best efforts for acquiring Attitude, Skill sets and Knowledge, towards life. The Hostel Environment certainly provides self-confidence, instils discipline in the minds of students and also provides scope for developing their ideals for harmonious and communal living without Nostalgia; these attributes enable them to share the joys of camaraderie, friendship/ fellowship and professional fraternity. Everyone should uphold dignity, self-respect and reputation of every other student.

TRANSPORT

WIDE TRANSPORT NETWORK To facilitate easy movement of the students to and from college, the college provides buses, vans, as per the convenience of the students. The Transport covers city and nearby towns/villages.

National Cadet Corps (NCC)

The NCC aims at developing character comradeship, discipline a secular outlook, the sprit. The Cadets are given basic military training in small arms and drill. The officers and cadets have no liability for active military service once they complete their course. Emblem of NCC: The Emblem of NCC consist of 3 colours; Red, Dark Blue, Light Blue. These colours indicate Indian Army, Indian Navy and Indian Air force respectively. The 17 Lotus indicates the 17 directories of India.

SCOUT GUIDING:- ROVERING AND RANGERING

Rovering/Rangering is the senior wing of Scouting and Guiding. Any regular student of College/ University between the age group of 16-25 years can be enlisted as Rover (Boy)/ Ranger (Girl).

Aim - To create a better World

Rovering/Rangering is an international voluntary non-political educational movement for youths. The purpose of the movement is to contribute towards the development of young people in achieving their full Physical, Intellectual Social and Spiritual potential as an individual as well as responsible citizens and members of Local, National and International community, through several outdoor activities, social and community service campaigns.

Swachhta Bharat Abhiyan

Recognised Social Entrepreneurship, Swachhta & Rural Engagement Cell (SEC REC) Institution. The institution has successfully framed the SEC REC Action Plan and constituted ten working groups for improving facilities in the Campus and the Community/Adopted Villages in the area of Sanitation & Hygiene, Waste Management, Water Management, Energy Conservation and Greenery

post COVID-19, along with the observation of three environment, entrepreneurship and community engagement related days to indicate in facility, students and community, the practices of Mentoring, Social Responsibility, Swachhta and Care for Environment and Resources.
